

Introducing OLOL Extended Care!

Our Lady of Loreto is excited to be opening our very own extended care programs for both Preschool and K-8 starting in the 2021-2022 school year. Students will feel right at home because the program will be run by familiar faces, OLOL teachers and staff themselves! Therefore, students will be led by a knowledgeable and committed team who are passionate about providing students with a safe, fun, and engaging experience not only during the school day, but also before and after school as well!
